*Re: WC Docket No. 04-313, CC Docket No. 01-338; Triennial Review  
Remand Proceeding*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, CompTel/ASCENT ("CompTel") hereby gives notice that on December 6, 2004, its representatives met with Commissioner Martin and Daniel Gonzalez, Sr. Legal Advisor to Commissioner Martin. CompTel's discussion was consistent with its previous filings in this proceeding. Specifically, CompTel discussed the importance of a reasonable transition period for any UNEs for which the FCC finds that competitors have failed to demonstrate impairment. CompTel also explained that competitors continue to face substantial impairment without access to mass-market switching, dark fiber loops and transport, and unrestricted and non-discriminatory access to DS1 loops, transport, and EELs.

Representing CompTel were Robert McDowell of CompTel, and the undersigned attorney.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan D. Lee". The signature is fluid and cursive.
